- Coaches will be giving player passes upon check in. Please review your rosters and if we are missing someone, please reach out to Susan Foege (sf@specialolympicsco.org) in order to get this taken care of.
 - PLAYERS WILL NOT BE ALLOWED TO PLAY WITHOUT THE PLAYER PASS.
 - Please double and triple check rosters to ensure we aren't missing anyone (posted on the Competitions page under Soccer).
 - Refs will review player passes with your team prior to your games.
- Coaches must stay on the team bench (which will be on the same side as the tent/scorers table).
 - We will provide benches/a team area for your team during the game.
 - Coaches may not be standing on the end line or opposite side of the field and coach from there.
 - NO COACHES WILL BE ALLOWED ON THE FIELD DURING THE GAME.
 - You may help get your team set at the beginning of the game and half time, but once the whistle blows – coaches are not allowed on the field.
- If you have issues with the reffing –please find Paul (venue director) under the main tent to address these issues. He will speak to them directly.
- If you are having an issue during the game, please let someone at the scoring table know to radio Paul immediately. We cannot do anything to address issues after a game has ended.
- Thanks so much for working with us on these items – we have some great new things planned for soccer and can't wait for your teams to experience them!
